RONI SHIL

UI\UX DESIGNER

Profile

As a passionate UI/UX Designer with a strong foundation in Figma, HTML/CSS, Tailwind CSS, and JavaScript, I specialize in crafting intuitive and visually appealing interfaces. With hands-on experience from an internship at Rupsa Network Pvt. Ltd. and ongoing freelance projects, I thrive on turning ideas into seamless digital experiences that delight users and meet client goals.

Work Experience

- **Freelancing** JULY 2024 - CURRENT
UI/UX Designer
 - Worked with diverse clients to understand requirements, deliver designs on schedule, and provide post-delivery support.
 - Created wireframes, prototypes, and high-fidelity visuals, collaborating with developers.
 - Delivered customized, user-friendly mobile (iOS/Android) and web application designs tailored to client needs.
- **Rupsa Network Pvt. Ltd.** MARCH 2024 - JUNE 2024
UI Designer Intern
 - Worked closely with cross-functional teams, including product managers, developers, and other designers.
 - Partnered closely with the development team.
 - Participated in regular discussion sessions, presenting work to senior developer and stakeholders.
 - Benefited from mentorship of senior developer.

Projects

- **Loan Application App** [Link](#)
 - Designed responsive and user-friendly UI layouts for loan application app.
 - Designed an intuitive interface that simplifies loan applications, ensuring users can easily navigate.
- **Service app ui/ux Design** [Link](#)
 - Enhanced understanding of designing for Service platforms.
 - Implemented a design approach to ensure optimal performance on mobile devices.
- **Real State Website** [Link](#)
 - Designed user-friendly UI/UX for a real estate website with seamless property search and responsive layouts.

Certifications
